WHY CHOOSE TO MENTOR?

This program is a partnership between the John Howard Society, Employment Planning & Counselling and Trent Valley Literacy Association. Our aim, is to support high-risk youth achieve training and employment success through a variety of interactions with a caring adult from the community.

We are looking for volunteers to become involved in our program in a variety of ways.

Benefits of becoming involved in our program

- Increase your own skills and professional development
- Promote your business/industry
- Personal growth
- Contribute to our community and help empower young adults (aged 17-25) to contribute to our community
- Become part of a network of individuals making Peterborough city and County great!

GET INVOLVED

It's easy to become involved. There are a variety of ways to contribute based on your comfort level and the amount of time that you have available.

- Could you speak to a group or individual about your company/industry?
- Do you have a skill or talent that you would be willing to share either in a workshop or through a task-based project?
